The Heritage Trail Partners was organized to promote and support the design, development, preservation, and advancement of "The Heritage Trail" in western Arkansas. The Heritage Trail includes the Butterfield Coach Trail, the Civil War troop movements, and the Trail of Tears in Western Arkansas (Washington, Benton, Crawford, and Sebastian counties).

## GOALS

- Promote awareness of the region's abundant resources for recreational, historic and cultural interests.
- Create travel and recreational opportunities by providing access to the region's attractions.
- Promote health benefits associated with outdoor activities.
- Enhance economic development opportunities through the promotion of heritage-based tourism.
